Profile Summary

A passionate and creative aspiring Front-End Developer with a strong understanding of HTML, CSS, JavaScript, and Basic design tools like Adobe Photoshop and Adobe XD. Also familiar with WordPress basics. Excited to build easy to use, Responsive websites and improve user experiences. Always eager to learn new skills and stay updated with the latest front-end technologies.

Technical Skills

Programming Languages : C, JavaScript (ES6)

Web Technologies : HTML, CSS, Bootstrap, WordPress

Desing Tools : Adobe Photoshop, Adobe Xd

Work Experience

Data Entry Process Executive

Omega Healthcare – Trichy, India | Nov 2021 – Aug 2023

- Interacted with US clients via calls and emails to gather and verify data, improving communication and Collaboration skills, which are essential for teamwork in front-end development.
- Checked data for errors and ensured accuracy before updating records, helping develop a strong attention to detail and problem-solving abilities, crucial for debugging and writing clean code.
- Managed and updated data in charge sheets and Outlook, organizing information efficiently, which helps in managing content and layout on websites.
- Worked flexible hours to accommodate client requirements across different time zones, demonstrating adaptability and time management, important for meeting project deadlines in development work.
- Took on additional responsibilities and worked extra hours during month-end reporting to meet deadlines, showcasing a strong work ethic and commitment to meeting targets, valuable in fast-paced development environments.

Education

Master of Science (M. Sc) in Physics

(2018-20)

Bharathidasan University, Trichy

CGPA: 7.7/10.0

Bachelor of Science (B. Sc) in Physics

(2015-18)

Bharathidasan University, Trichy
